## **WHY IS ALL THIS NECESSARY?**

The last three newspaper articles share information about that period of time when the mystery of God will be accomplished (Revelation 10:6-7) and the kingdom of the world will then belong to our Lord and His Anointed (Revelation 11:15). If you missed the last three articles, you may obtain them from the newspaper office. If you would like to know more details about the end time and what we should be doing to prepare, please feel free to contact me.

From chapter one to the end of chapter eleven in the book of Revelation we are given a panoramic view of the events that will happen during the end times in a chronologic order. Then, beginning with chapter 12, we are given extra information to fill in the “cubby holes” of the panoramic view so that we can better understand the things that will soon take place (Revelation 1:3).

Prophecy dealing with the end times is being fulfilled before our very eyes. I realize that very few inhabitants of this world are aware of it because, like the Jews of Jesus’ day, they can not perceive what is happening (Matthew 13:13-17). It is no accident, for instance, that the economy of United States is heading for disaster. It is part of Satan’s plan. You and I may live to see a currency other than the United States Dollar used as the basis of world trade. It is part of Satan’s plan and our Heavenly Father and His Anointed are allowing it to happen for several reasons. First of all, it is necessary for these things to happen in order to get us from here to there. That is, it is necessary for these things to happen in order for our God to end up with a people who will have made the proper preparation to live with Him on a new sinless earth (Revelation chapters 21 and 22). In our next article we will begin to share why it is necessary for Satan to use his children (the lost) as well as his pawns among the saved to bankrupt the economy of the United States.
